

<u>Koulick Sankar Paul (ksp160330)</u>			
#	Main Topic	Comments	ScreenShot Links on GitHub
1	attendancee	Designed the page using HTML5 and CSS. Added javascript functions and validations; added php calls to insert data into the realtime attendance table.	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/screenshot_attendancee.png
2	facultyAddClass	Modified the page with the necessary javascript functions and validations; added php calls to insert courses offered into the correct DB table.	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/screenshot_facultyAddClass.png
3	feed	Designed the page where the user can post text, photo or video of his/her choice. Added necessary javascript functions (as well as validations) to call php to insert correct data (text, photo and video paths) into the database.	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/screenshot_feed.png
4	viewProfile	Designed the page where the logged in user can post text, photo or video of his/her choice into another user's feed. Added necessary javascript functions (along with validations) to call php to insert correct data (text, photo and video paths) into the database.	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/screenshot_viewProfile.png

5	new_post_card	Designed a common post card to be used in both the above pages.	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/sconnect_new_post_card.png
6	kundujwg_sconnect_db1	Created the database and the table structures. Inserted data for testing. Modified the structures based on the UI changes (if needed).	https://github.com/nxkundu/WPL_PROJECT_S2018/blob/master/report/screenshot/KoulickSankarPaul/sconnect_db_tables.png https://github.com/nxkundu/WPL_PROJECT_S2018/tree/master/report/screenshot/KoulickSankarPaul/Table%20structure https://github.com/nxkundu/WPL_PROJECT_S2018/tree/master/report/screenshot/KoulickSankarPaul/Table%20values
